31 It must be kept clean & tidy and maintained. Changing room facilities with no graffiti.

32 The grass verge alongside Belper Rd rec is a mess it is being be used for parking. Either ban vehicles or create a proper parking area for residents only.

33 It would be good to have some parking when the ground is used because it is dangerous with people parking on Common Lane junction

34 No parking on the grass verge more seating with benches

35 Quality changing facilities for wider use

36 The Parish Council should take over mowing the island on Hayeswood rd. It looks terrible now it has been left.

37 More litter picking

38 Car Park

39 Permanent site for Christmas tree. Flagpole. Better changing facilities. Proper parking bays instead of the grass area.

40 Why it's nice to see the rec in use it is a major parking problem with all the football crowds.

41 Bins for rubbish in playground area and signs that dogs must be on leads. Signs need cleaning.

60 On Commoners Lott, another bench/picnic bench

63 As Q3

78 Just keep as a recreation ground

- 79 This should be left as an open space.
