

Parish Survey Results: Appendix D - Comments on speed prevention measures.

Anonymised comments on **Speed Prevention Measures**

Comment. No Comments

- | | |
|----|---|
| 1 | Speeding problems on the hill in Stanley (both ways). Suggest 20mph on Common Lane & Dale Road. 40mph limit on approaches to Stanley. |
| 2 | Consider speed bumps and an average speed system. |
| 3 | This section not completed |
| 4 | Full width speed bumps required in Stanley |
| 5 | Speed bumps needed |
| 6 | All important |
| 7 | An increase in police cameras: the others won't make any difference |
| 23 | Move the 30mph sign further up the hill for incoming traffic from Derby |
| 25 | Give way priority blockades as in Breadsall Village. |
| 26 | 20mph speed limit from Millhouse Garage to Top Club |
| 27 | After dark too for night racers. |
| 33 | Not useful annoying |
| 34 | Smiley faced speed warnings. |
| 38 | Chicanes required. |
| 40 | Zebra crossing and central island |
| 53 | Mor stops in the road like those in Breadsall. More yellow lines |
| 54 | All these are important |
| 55 | Like the Auto Speed Watch idea |
| 62 | ULEZ? |
| 63 | Something to ease the street parking in both villages. |
