

Parish Survey Results: Appendix F - Comments on Village Services.

Anonymised comments on **Village Services**

Comment. No.	Comment
---------------------	----------------

- | | |
|----|---|
| 1 | Commoners Lott and Scout Field need improving for biodiversity. |
| 9 | In Stanley Common, buses to Heanor & Belper as well as Derby/Ilkeston |
| 10 | It would be great to have the verges and hedges cut regularly especially at driving blind spots. |
| 11 | Reading Club - sharing books and talking about it. |
| 14 | A frequent extended bus service should be discussed and promoted |
| 16 | Get cash from Post Offices, not machines |
| 17 | Church, School, Pub |
| 18 | Ensure we have a school, pub and church |
| 22 | Regular cutting back of hedgerows especially at road junctions |
| 26 | All are important |
| 27 | Get an evening bus service |
| 29 | 32 bus service needs to call at Dales Shopping Centre in W. Hallam to give public access to services there. |
| 35 | More litter bins. Would like to see the results of the survey. |
| 39 | Pedestrian crossings by the Post Office in both villages. Children get on and off the bus here and would benefit those on the way to school |
| 43 | Respondent simply gave a list of services provided by Borough/County/Highway Authorities |
| 44 | Traffic calming is needed, with double white lines from Home Farm to the bottom of the hill, supported by "SLOW" signs. This stretch of road is very dangerous due to speeding. |
| 45 | Traffic calming is needed, with double white lines from Home Farm to the bottom of the hill, supported by "SLOW" signs. This stretch of road is very dangerous due to speeding. |
| 46 | Can anything be done to limit the ridiculous number of traffic now using Morley Lane/Common Lane as a rat run, at crazy speeds? |
| 47 | Roads terrible, nearly impassable. Village looks a mess. Never any policing. Speeding is horrendous. |
| 48 | We never see the Police, maintenance of village poor, roads almost impassable. Traffic needs to be slowed. |
| 49 | Dog patrols to control dog mess in Stanley Incorrect response submitted |
| 56 | Some form of transport is needed for the elderly to be able to access Derby & Ilkeston as the villages are isolated. |
| 57 | Get Erewash refuse lorry back 2 or 3 times a year |
| 58 | Parking on the verge at Stanley Common Rec is unsightly, especially in winter. Resolve! |
| 59 | A bus stop nearer Glebe Crescent and a safe crossing near the School |
| 60 | Sunday Bus Service |
| 61 | Thank you for producing this survey |
| 62 | Our villages are untidy. Parking by the rec is ruining the grass and is dangerous to people at the junction. |
| 63 | Bus to Derby (H1) every 10 minutes from Rose & Crown. Bus to Derby (59) every 2 hours from Stanley Common. Could this be better balanced or linked? |
| 64 | Council could support / encourage resident self-helpself-help groups / volunteers to perform some community tasks e.g. litter pick, planters etc. |
| 68 | A bus stop at the top of Glebe Crescent and a car park for Post Office users |
| 69 | Please think, not everyone has email Facebook or website access |
| 70 | Pub |
| 71 | Police patrols by beat officers. More proactive policing rather than reactive. These villages no longer feel safe. |
| 72 | A light controlled pedestrian crossing on Belper Rd adjacent to the recreation ground |
| 73 | Somewhere for teenagers to go. Not on the rec or in the jitty's drinking and vaping. |
| 74 | A Sunday Bus Service to Derby |
| 75 | I'd like to see more partnerships with other groups/organisation to make better provision for youth groups in the Village. Look what other PCs are doing e.g. Duffield |
| 76 | Stanleys Magazine DD Payment |
| 77 | We feel we should have an hourly bus service to Ilkeston, Derby and maybe Belper. |
| 78 | We need a bus to Derby, Ilkeston at least once an hour. Too many buses to serve West Hallam. |
| 79 | Control of unsociable parking and law breaking (parking by a T-junction) |

- 80 Incorrect response submitted A reliable bus service would be a good start. Schools offer some facilities which could be opened up to the wider public (e.g. recycling points)
- 87 Café that's open 5 or 6 day to bring people together.
- 88 Could we have a dog litter bin at Klondike?
- 89 Where would you put charging points? Why is there no mention of parking issues in our villages?
- 90 An important service for walkers is keeping footpaths cut back (ensuring farmers/owners do this when expected)
- 91 Public transport is important for the elderly to stay social and get to appt's and shops etc.. A local shop/post office helps them too. A village hall keeps aspects within the village.
- 92 Hot food takeaway van/shop
- 93 All needed. Hard to prioritise. Also, renewable energy. Wild places.
- 97 If possible extra bins in Stanley would be beneficial for both general litter and dog waste. There are none when walking past the School and the Church.
- 100 More frequent visits by EBC Waste to allow easier disposal of waste by this unable to get to Manners Road.
- 102 Wi-fi is not very good and you need it here
- 103 Bus service around the Crescent in Stanley Common
- 104 School crossing patrols should be a high priority in Stanley Common.
- 105 Please solve the problem of the grass being churned up by vehicles parking on Belper Rd alongside the rec in a thoughtless, dangerous manner
- 106 Would like another defibrillator training. More frequent buses.
